Maltepe
ISTANBUL
TURKEY

In respect of:

Refillable Transportable Welded Gas Cylinders per EN 13322-1:2003+A1:2006

On the basis of our examination under the requirements of Council Directive 99/36/EC as amended Blue Fire of the Transportable Pressure Equipment Directive, as transposed into UK law by the Carriage of Dangerous Goods and Use of Transportable Pressure Equipment Regulations SI 2000 No. 1348

For and on behalf of the British Standards Institution, a Notified Body for the above Directive (Notified Body Number 0086):

David Ferd, Director, Health and Testing Services

First Issued: **16 Oct 2014**

Date: **16 Oct 2014**

Page: 1 of 2

Products produced outside the scope of the certificate will not be covered by the requirements of the Directive and the application to the BSI Notified Body, Number 0086, will be illegal.
BSI must be informed without delay if the said products are required to be included in the scope.
This certificate remains valid as long as compliance with the requirements of the Directive are maintained.
